To whom it may concern

Bruce McKay Managing Director BM Tourism & Hospitality Consultants

I confirm that the Wintergreen Trust have worked with BM Tourism & Hospitality Consultants during the process of obtaining successfully, full environmental and planning approval together with other associated consents / governmental licences for the redevelopment, upgrading and extension of our Noupoort Mountain Resort.

During this period we found Bruce to have excellent communication skills, extremely organised and who became a very important and respected member of our professional team of consultants.

At all times we found BM Tourism & Hospitality Consultants to be dependable, reliable, conscientious, and importantly always as helpful as possible whilst assisting with:

- Drawing up of our 5 year financial cash flows;
- General lay-out and design in conjunction with the architects;
- Site visits and site evaluation in conjunction with architects;
- Drawing up of the sustainability and analysis report for Noupoort Resort

I would therefore have no hesitation in confidently recommending Bruce and BM Tourism & Hospitality Consultants as reliable professionals, and experts in their field.

Yours faithfully
